

Photo Report of 7th Annual Friends of India Point Park Cleanup, April 21, 2007

Fifty people of all ages helped clean up the Park and enjoyed hard-earned pizza and drinks on a beautiful spring day, April 21. The group mulched dozens of trees and bushes, painted benches and picnic tables, laid cobblestones to finish the steps by the playground, and filled more than 50 lawn bags with trash and brush left by recent high waters. WBRU donated pizzas, and Dunkin' Donuts provided coffee and donuts. The crew provided the fun and satisfaction of a job well done, and the Park provided the glories of spring, with the 2,000 bulbs we planted last fall sprouting bright colors.
